THIS TERM'S CHRISTIAN VALUE –
September 9th 2022 – Newsletter 1

Message from Mr Cook

Dear Parents and Carers,

Welcome back!

Thank you for such a lovely welcome to your school. It has been great getting to know everyone – the children have been so friendly and warm, they really have done you proud.

I hope you find the information in the newsletter helpful. If you have any particular ideas about what you would find helpful in it, please let us know.

Online safety and safeguarding

TikTok is a popular social media app, particularly with younger people. The following article is a guide for parents, helping them to understand how the app works and some of the risks involved. This is probably most relevant to parents with children heading towards secondary school, however it is still worth a read if not.

Class Reminders for the week ahead

Anning Class: Year 3

Mrs Potter has asked that the children, if possible, bring in either a Calpol syringe or washing up bottle for their DT work next week. Please ensure that they are labelled with their name.

Summer Reading Challenge

The last day to finish the Summer Reading Challenge is Saturday 10th September. If you have taken part but haven't submitted your reading, make sure you get down to your local library to get your medals and certificates.
