### Message from Mr Cook

Dear Parents/Carers,

Today we have held our own well-being day in school. The aim of this day is to show the children that to maintain positive mental health, it is important to take the time to do the things that you enjoy. When you ask them what they did in school today, you might find there is something that they loved doing that they might want to take further, whether that is art, singing, or a particular sport. Please don't hesitate to ask if you would like any recommendations for local clubs or organisations who might be able to help.

Have a fantastic weekend.

Mr Cook

### Plans for Emergency School Closure
