Sporting events

This term has seen many children attending a variety of sporting events- PLT conference, Netball skills, Dance Festival and Multi-Skills to name a few. It has been excellent to see different pupils representing our school and we are very proud of how they have conducted themselves at these events.

A few weeks ago, the Year 6 boys football team attended the Wiltshire Finals, where they came top of their group before winning the semi-final and final. They are now off to the South-West Regional Finals later on in the year. A huge achievement boys, well done!!!

Sports Council

The Sports Council officially had their first meeting this term. During this, they discussed what new equipment was needed for playtimes and wrote a 'wish list' which then was put forward and ordered.

They also discussed a new concept of 'DPA' (Daily Physical Activity). This is where each class choose a different 5 minute active activity for each day of the week, in the hope of each child becoming more active and working towards the recommended goal of 60 active minutes every day. The Sports Councillors are then responsible in making sure the time is given during the school day to complete the activity. All Council members will meet at the start of Term 4 to discuss what activities have been selected in their class.
