### Sporting events

A few weeks ago, children from Year 6 represented our school in a Netball tournament against different schools in Trowbridge. Mr Cook attended with the children, where they successfully came 4<sup>th</sup> out of 10 teams. The children represented the school amazingly and showed some real talent- well done!

On Saturday 25<sup>th</sup> March, our Year 6 Boys Football Team attended the South-West regional finals. Playing against schools from Guernsey and Jersey, Cornwall and Berkshire (to name a few), the boys played brilliantly and came a fantastic 5<sup>th</sup> in the whole of the South-West. This means that Southwick School are not only the best small school in Wiltshire for football but 5<sup>th</sup> out of 2,105 schools in the South-West. An absolutely amazing achievement boys! Not only have they done fantastically well, they played with determination and showed brilliant sportsmanship throughout the day. We were proud to have them represent our school. Thank you!

### Sports Council

During this terms meeting, the Sports Council looked at the new playground equipment and began to think about how best to use it. They decided on a KS1 and KS2 box, where children can collect pieces of equipment in exchange for a ticket. They are just waiting on a few more pieces to arrive before this can be launched at playtimes.

They also discussed how DPA (Daily Physical Activity) was being used in each year group. Across the school, it appeared that dance was being used and enjoyed by many. As a result, the children asked whether a full iMoves subscription was able to be bought so that they can follow dance routines to a wider variety of songs. This will be ready for them to use in Term 5.

Finally, they started thinking about the Autumn Term PE Curriculum and discussed some changes to what is being taught- something to look out for in September.
