

Home Learning

Dear Parents and Carers,

Although school is closed to many of our children, it is important that they maintain an element of routine in their life and that they continue learning or revisit previous learning if they are to have the best possible future, in these uncertain times. The government have asked us to provide home learning for your children.

As a minimum, we would like the children to read for at least 20 minutes every day and practise their numbers bonds and table facts for a similar amount of time. This is essential so that they do not forget key skills that they have already learned.

Below, is a list of websites that your child's class teacher has identified containing age-appropriate learning that you may wish to access to support learning. Each class teacher has also sent a workbook home containing ideas for learning. We will add to these learning activities over the coming weeks via the school website/Parentmail.

I am also attaching the link to a website for a story that you can share with your children which explains why social distancing is crucial at this time.

Thank you.

Potter – Mrs Stuart and Mrs Smith

www.phonicsplay.com - to continue to develop your child's phonic knowledge/early reading. You can access all resources by logging on using **login:** march20 **password:** home

www.ictgames.com = uses games to support early maths and English

www.twinkl.com - create a FREE account. All EYFS activities are relevant. The phonics activities are great, real or nonsense words colouring sheets are great for overlearning. Enter the code UKTWINKLHELPS for access to everything.

www.classroomsecrets.co.uk – lots of free resources in the EY section

Sharman – Miss House

www.twinkl.co.uk - create a FREE account. All year 1 activities are relevant. The phonics activities are great, real or nonsense words colouring sheets are great for overlearning. Enter the code UKTWINKLHELPS for access to everything.

www.phonicsplay.co.uk – great phonics games, children are familiar with 'picnic on pluto' and 'buried treasure' You can access all resources by logging on using **login:** march20 **password:** home

www.classroomsecrets.co.uk – lots of free resources, look at the KS1 section.

www.ictgames.co.uk – lots of interactive games for Maths and English.

Nightingale – Mrs Ross

www.twinkl.co.uk/offer Go to this website and enter code CVDTWINKLHELPS - this will give you access to a month's free membership. There are a multitude of activities but look for 'Home Learning Packs KS1 (Year 2)' and also 'Interactive learning links resources - these are interactive PDF resources which link to other helpful materials on the Twinkl site that you can use without a printer.

www.storylineonline.net/books This is brilliant! It has a whole library of videos of people (often celebrities) reading story books.

www.theschoolrun.com Parents can access a 14 day free trial. Lots and lots of resources including SATs practise.

Google 'Hit the Button' to get free access to great online quick-fire maths games. Number bonds, Doubles, Halves and Time Tables

Anning – Mrs Woodford

<https://classroomsecrets.co.uk/free-home-learning-packs/>
Download the year 3 pack.

<https://www.twinkl.co.uk/>
Follow the link for 'School Closure Help KS2'.

<https://nrich.maths.org/>
Follow the link 'Primary Pupils'.

<https://www.timestables.co.uk/>
Please practise all the times tables up to 12X12.
