

School Council

2017-2018

The school council (should) meet every other week and make important decisions about what happens at Southwick School. We have had a slow start to the year and sadly haven't met as much as we should have but I know that all members will work hard to make up for lost time. The school council have instigated an after school opening session for the library and have other projects ready to get started in the new year.
