

Maths We will revise and develop our strategies for all four calculations this term and ensure we can apply these to word problems. We will find fractions and percentages of amounts and multiply proper fractions and mixed numbers by whole numbers. As well as this, we will identify the value of numbers up to 1 million and 3 decimal places, order numbers to a million and count forward and backwards in equal steps from any given number.

Science This term we will develop our understanding of animals, living things and their habitats as well as consolidating our knowledge of plants. We will explain the differences in the life cycles of living things, describe the life process of reproduction in some plants and animals and describe the life-cycle of humans from birth to old age.

English We will continue to use Hatchet as inspiration for our writing, using it to stimulate a range of genres and new skills. At the beginning of term 5, we will reflect on our progress in writing so far this year and set our self personal targets based upon the skills we are missing regularly in our Big Writes. This will help us develop further as a writer.

### The Great British Menu

Hawks and Woodpeckers  
Summer 2015

Design Technology Our theme this term is The Great British Menu. This will see us make two traditional English mince-based dishes (cottage pie and pasties). We will make the flag of Great Britain by cutting, shaping, joining and finishing fabric. As well as this, we will design and make a British market out of wood by strengthening, stiffening and reinforcing complex structures. In all of these we will design, research, develop criteria and evaluate our products

Art In art we will look at pop art, in particular Andy Warhol, taking his 'Campbell's Soup Can's' as inspiration to create our own pop art masterpiece.

Music- Performance will be our main focus this term as we take inspiration from a number of British musicians.

RE We will explore if belief in Karma, Samsara and Moksha help Hindu's live good lives. We will also consider how Christians show commitment to God.

PE  
Athletics'- we will develop accuracy and technique when running, jumping and throwing.  
Striking and Fielding games- we will develop our skills in cricket and rounders.
